IMPORTANT INFORMATION ABOUT STUDENT/ATHLETIC ACCIDENT INSURANCE

Under State Law, school districts are not liable for accidents which occur in schools. It is important to understand that the school/district is not responsible for medical payments or bills for your child. If your child is injured during any school, athletic or UIL sponsored activity, all medical charges are your responsibility.

The school district has purchased a catastrophic accident policy for the 2012-2013 school year, which allows you the opportunity to purchase student/athletic accident insurance. You have the option of:

1. **Coverage which excludes UIL sponsored activities**
2. **Coverage which includes UIL sponsored activities**

Please note that this is a limited benefit accident policy and any charges (costs) above the policy limits are your responsibility. Please also note that football coverage is a separate benefit and premium.

Plans include:

1. **School time coverage, which only covers accidents during regular school hours and travel to/from school**
2. **24-hour coverage, which covers 24 hours a day, 365 days a year, anyplace and anytime**
3. **Dental coverage**
4. **Football coverage**

THIS INSURANCE IS PRIMARY INSURANCE TO ALL OTHER EXISTING POLICIES.
