## VALLEY VIEW ELEMENTARY

---

**Mission Statement:** The Eanes community is vitally committed to educational excellence that prepares and inspires all students for life-long success by engaging each student in rigorous academic experiences and enriching opportunities.

---

### Objectives

- ◆ Each student will be prepared for advanced learning opportunities and careers by completing a personally challenging academic program.
  - ◆ Each student will engage in integrative thinking and creative, collaborative problem solving.
  - ◆ Each student will process and evaluate information, and communicate effectively.
  - ◆ Each student will be an involved contributing member of the school and global community, while respecting others and self.
  - ◆ Each student will be prepared to accomplish goals, adapt to change and be resilient to challenges.
- 

### District Long-Range Strategies

*Strategy I:* We will ensure effective, engaging, and enriching instruction and experiences for each student in a safe, supportive environment.

*Strategy II:* We will encourage students to explore, identify and develop their strengths and passions.

*Strategy III:* We will prepare students for responsible citizenship in a global society.

*Strategy IV:* We will promote and support a robust digital-age learning environment to inspire student learning and creativity.

*Strategy V:* We will provide time and support for relevant and innovative professional learning to ensure ongoing improvements in teaching and student learning.

*Strategy VI:* We will actively engage the Eanes community to strengthen partnerships that support the evolving needs of students and the district.

*Strategy VII:* We will prioritize our needs to accomplish the district's mission using resources effectively and efficiently.
