

Attention Parent/Guardian of New Student:

We welcome you and your child to the Eanes Independent School District. To comply with Eanes Independent School District board policy and immunization requirements for the State of Texas, health information is requested/required when enrolling your child in school. **Please note the enrollment categories below and the attached forms for specific requirements/recommendations.**

PPCD, DROP-IN SPEECH or OT, KINDERGARTEN, AND 1ST GRADE STUDENTS ENTERING SCHOOL FOR THE FIRST TIME:

Students must submit completed immunization records before the start of school. **Students will not be permitted to start school and will not be placed in a class until the required immunization documentation is received.**

IN STATE TRANSFERS:

Students are encouraged to present complete immunization records at the time of enrollment. If they are not available, a student can be enrolled provisionally for no more than 30 days if he/she transfers from one Texas school to another, and is awaiting the transfer of the immunization record from the previous school.

OUT OF STATE-OUT OF COUNTRY TRANSFERS:

Students must have complete immunization records to be enrolled and placed in a class. The student may be provisionally enrolled if he/she has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by the State of Texas that are current with the scheduled administration of the subsequent doses in the series. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school nurse.

HOMELESS STUDENTS:

A student who is homeless, as defined by § 103 of the McKinney Act, 42 USC §11302, will be admitted temporarily for 30 days if acceptable evidence of a vaccination is not available. The school nurse will promptly refer the student to appropriate public health programs to obtain the required vaccinations. He/she must begin and complete the vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school nurse.

Please return completed forms as soon as possible to the campus your child will be attending. If you have questions regarding health requirements, or would like to discuss a health concern, please contact your campus nurse.
