Additional Information

Required Documentation/Attachments: In order to submit a Transfer Application, it is required that you have all necessary documents ready to add as an attachment when you fill out the online form. Each item will need to be a separate file. To make sure your files are viewable please use one of the following types: .pdf, .doc, .jpeg, .png. Each uploaded file size is limited to 10 MB per submission. Each form can only have a total of 20 MB submitted.

Non-Traditional Educational Environments: If the applicant is currently in a non-traditional school environment for the 16-17 school year or a portion of the school year, every effort should be made to provide the requested information in a form closest to what a public school would provide. Eanes ISD administrators are familiar with non-traditional school environments but we do need something in order to evaluate a student's past performance so we can estimate the applicant's future success in Eanes ISD schools. This includes homeschool, non-graded, Montessori environments, etc.

For Kindergarten applicants: No additional documents, besides the on-line application, are REQUIRED to be submitted to Eanes ISD in order to be considered for transfer into Eanes ISD. But, any additional documents you might have (from a private school, from a pre-school, an out-of-state program, a preschool program) such as recommendations, report cards, progress reports, letters from prior teachers, etc. that show the applicant's readiness for kindergarten will be reviewed and considered.

Transfer Types and Application Fees

Some types of transfers require a non-refundable \$125 Transfer application fee, per student. Other transfer types do not. Please see the information below to help you to determine which type of transfer you will be applying for. This piece of information will be required to determine the necessary transfer application fee and also when entering the information into the transfer application.

Transfer Application Fee Required- \$125 per Applicant
